## Summer Online Tutoring Services

Humanus is a national academia and related therapy services provider. We provide our school partners with services and support. We help professionals find positions that will allow them to pursue what they love. Most importantly, we improve lives by helping others learn, grow, and succeed.

We offer services to children of varying ages and learning needs. Whether your child needs to catch up or maintain their current grade level, or prep for college entrance exams, your child is sure to be provided the assistance they need. Every child deserves to start the next school year with the confidence they need to be successful!
